Michael Dale Lowe, born on September 1, 1954, in Jeffersonville, Indiana, passed away on November 4, 2024, in Port Richey, Florida. A devoted family man, he is survived by his brothers Samuel, Tim, and Mark, as well as his two daughters, Mishele and Jodi. Michael cherished his role as a grandfather to six grandchildren: Chloe, Matthew, Lauren, Noah, Shelby, and Caden, and he was delighted to be a great-grandfather to Athena. Michael had a passion for technology and enjoyed tinkering with electronics in his garage, especially working on his vehicles. He was an avid collector of watches and took great pleasure in exploring his hobbies. Known affectionately as "Helmet Head," he had a playful spirit that endeared him to those around him. His love for food was simple yet heartfelt; he could often be found enjoying Peanut Butter and Jelly Uncrustables, relishing in candy, and never missing a glass of cold milk with his dinner. Above all, Michael found great comfort and joy in reading his Bible. Retiring from a successful career at Baxter, Raytheon, and served honorably in the United States army, Michael left a legacy of hard work and dedication. He will be deeply missed by family and friends who remember him for his warmth, love, and the joy he brought into their lives.
