Danielle Marie Nigro lit a candle in honor of Robert.

You were always my partner in crime when we were growing up. We had so many amazing adventures together. Looking back on them now makes me smile and laugh and wonder how we never got caught. All the crazy things that we did together! You were my protective cousin and always made sure that I was ok. I will cherish each and every memory of us together and share them with my family. I love you Robbie.
