Donna and I met at the wedding of her best friends daughter. We hit it off instantly! We became great friends and talked very often. I visited her when she lived in Tarpon Springs. We used to talk about her wild neighbors and the wildlife. I fixed her gutter for her too. We had many laughs. I once told her if someone is tailgating you on the highway to just wash your windshield for an extended period of time and they'll either slow down or go around. She would report back and say it worked. You are definitely sorely missed Donna. I wish I knew of your passing as I would have attended your service. I have been texting you and not getting a reply. I knew you had been on and off facebook so that wasn't a surprise. I'm going to miss your stories of your grandchildren. Fly high angel. Love you much. (Photo of Donna and Fabio)

My dear friend, you are so missed! I still can't believe you are gone 😞 Eternal rest grant unto you, O Lord, and let perpetual light shine upon you, Donna. May you rest in peace. Amen.

I am so so sorry to hear about Donna. We had a mutual love of animals and being in the legal profession in our capacity. She loved her daughter and grands. May her memory be of a blessing.
