Hey dad, me and Kayla went to Bayport like we use too. I caught a couple mangrove snappers and a remora. Wish I caught a jack like you did that one time. Miss you a lot and hope you're doing okay

David Gliotti posted:

Happy Father's Day to the greatest father I could ever ask for. I hope you're ok and that you're having a good time. I love you more than the world itself. I would do anything to just to talk, or be with you one last time.

Happy birthday, Dad. You are the best man I've ever known. There wasn't a thing that you couldn't do. The amount of projects you had, and did was never ending. You always had something to do and you always did it perfectly no matter what. You deserved so much better, you worked your whole life to make sure that Gina, and I were okay. You deserve the whole world, and more. I'm genuinely sorry I can't give that to you. You're my hero, I've always wanted to be just like you. You mean the world to me and I'm so sorry you're gone. I love you so much, that words will never begin to describe. Wish you were here to watch another show, work on another project, talk about cars or something random, or just to be in the same room enjoying your presence. There's not a second that goes by where I don't think about you. I miss and love you Dad. Rowdy, Boomer, Kayla, and I all miss you so much. Hope you have an amazing day today because that's all you deserve. It ain't nothing but a thing. Happy birthday Dad I love you so much, I'll see you when I see you.
