I met Betty in nursing school over 3 decades ago and we became fast friends .Thankfully I visited her 1 year ago at this exact time . She met me at the door with drinks in hand where we reminisced to the wee hours .She introduced me to her numerous friends in Beacon woods pool and saw the shuffleboard court that she ran .She took me to all the local hot spots with great music as I danced and she snapped photos .She lived loved life to the fullest !!She was soo proud of her children and grandchildren and newest addition of a grandson that she recently met .She will be missed by so many but thought of fondly .
With much love , Kelly Beamish
