## Betty Lou Snook

JUN 25, 1935 - JUN 3, 2025

**B**etty Lou Snook, born June 25, 1935, in Rankin, Illinois, to the late Wilbur Reeder and Lola Corbly Reeder, passed away peacefully on Tuesday, June 3, 2025, at Bayonet Point Hospital in Hudson, Florida.

Betty Lou was a woman of quiet strength and enduring grace. She found joy in the simple pleasures of life—sewing, needlepoint, and immersing herself in the pages of a good book. Her hands were rarely still, always crafting something beautiful or turning the pages of a new story.

Later in life, Betty Lou found deep fulfillment in reconnecting with her childhood community in West Lebanon, IN. The memories and friendships she rekindled brought her great comfort and joy.

She is survived by her devoted son, Robert Kim Snook, and his wife Casimiera; her cherished nephew, Wayne Reeder (Joyce); and her beloved niece, Candy Mathews. A graveside service to honor Betty Lou's life will be held at Grace Memorial Gardens on Tuesday, June 10 at 2:00 PM, with Reverend Edward Kellum officiating. In lieu of flowers, remembrances to honor Betty may be made to Faith Methodist Church 12128 State Road 52, Hudson, Florida 34669.

Grace Memorial Gardens and Funeral Home is honored to be entrusted with the arrangements. Online condolences may be shared at <https://www.gracememorialhudson.com>.

Betty Lou's legacy of love, creativity, and connection will live on in the hearts of those who knew her.

Betty Lou was like a second mom to me. What wonderful memories I have of her, thank you Kim for sharing her!! As a child, I hurt myself pretty bad one day flying head over heels on my bike down a gravel hill...Kim can corroborate this story cause he was with me. Anyway, Betty got me in a bathtub to try to remove all the gravel from my body before my own mom could see me. She lovingly cleaned me up, got me in some loose PJ's and I was good as new, and my mom didn't freak out too much!! Then in 2005 after both my parents died, Betty invited my sister and me to her house in Williamsport for Mother's Day weekend. We had the best time, we talked, laughed, ate and helped her do a garage sale that weekend. It was amazing and from then on that's where we spent Mother's Day weekend, again thank you to Kim and Cash for letting us share your mom. Every Mother's Day we went and hopefully it was a good memory for Betty Lou because it sure was for me.
