Charlotte M Bryson

AUG 3, 1927 - JUN 3, 2025

Charlotte M. Bryson, a devoted woman of faith, age 97, from Hudson, Florida, passed away on June 3, 2025, just two months shy of her 98th birthday. She was born August 3rd, 1927, to Albert and Kathryn (Olgaiti) Malone and grew up in Riverside Park, NJ where she graduated from Palmyra High School.

Charlotte wed her beloved Edward R. Bryson from Delair, NJ a frogman/UDT in World War II for the United States Navy, on April 12, 1946. Together, they raised three wonderful children: Edward (Dottie) Bryson, Charlene Bryson, and Keith (Maria) Bryson. She took great pride in her four grandchildren, Priscilla Bryson and fiancé Tom Fedak, Anthony (Anna) Bryson, Nicole Bryson and fiancé Aaron Seidelmann, and Joey Bryson, as well as her two great grandchildren, Luca, and Francesca Bryson, with another great grandchild on the way.

Charlotte exceeded the expectations of a “Mother.” After the death of her husband Edward Bryson in 1980, Charlotte embraced the responsibilities of both mother and father. She ensured her family was taken care of and felt loved unconditionally. She re-entered the workforce at Shiseido Cosmetics and Skin Care, where she achieved recognition as the leading salesperson for many years. Additionally, she dedicated her time to volunteering at the voting polls for numerous years.

Charlotte had a remarkable ability to carry herself with elegance and composure, not to mention her impeccable wardrobe. She was also a very caring woman for those she loved and in need, always donating money to special foundations far and wide as well as her church.

In addition to cherishing time with her family, Charlotte enjoyed various hobbies, including gardening, and solving crossword puzzles; there was not a puzzle she couldn't conquer. She also loved reading, watching her favorite shows and classic films, listening to Frank Sinatra, and cooking. Charlotte was especially known for her delicious pumpkin pie and stuffed shells, which she made every holiday season until she was 94 years old.

I am so sorry for your tremendous loss. I wish I had gotten the chance to talk with Charlotte one more time. I'm just learning of her passing now. For some years I was Charlotte's hair stylist. Me and my salon gils looked forward to her visits every time. Charlotte was a wonderful person and we had many laughs and beautiful conversations. Anyone who got to meet Charlotte over the years were always so impressed by her impeccable style, makeup and fiery red hair, jaws would drop when she shared her age. She was proud of her age, as well, she should be! May her rest be easy and peaceful and the memories you have of her carry you through your grief.

So many things to say about my Aunt Charlotte. She smiled so wide when seeing my family and I. She loved joking with my Dad. I remember walking in her condo a few times. Take your shoes off first. Her rug always looked new. Her place was a showroom with oriental-style furniture and decor. Then when I made it to her kitchen I was asked if I wanted a Boost. She loved talking about our family lineage and family stories. We were all amazed at how young she looked for her age.
