This is such a heartbreak! We've been very saddened by the loss of Carlos. He was such a positive person that always brought a smile and kind words to every encounter. I can still picture him by the grill helping out with the BBQs and his beautiful laugh. I've known him since I was born and Carlos and his family have always been a part of our family. After my dad passed Carlos was a warm reminder of my dad and the legacy of a true, deep friendship with roots that surpassed my dad's time here on earth. My deepest condolences go out to Elsita who was his constant companion and to all his family. I know his bright, generous spirit will continue to shine through his family. This loss hits deep. Love, Katherin & all the Angel Family
