Elsie Maria Lozada

NOV 22, 1933 - JUL 17, 2025

Elsie Maria Lozada, beloved mother, grandmother, and great-grandmother, passed away peacefully at her home in Spring Hill, Florida, on July 17, 2025.

She was born in 1933 in Peñuelas, Puerto Rico, to the late Francisco Ortiz and Eloisa Colón. Elsie was the heart of her family—a devoted homemaker whose love and care made every day brighter. She had a remarkable ability to make the work of motherhood and home life seem effortless, and she did it all with grace and warmth.

Her deep love for her family was evident in everything she did, and her legacy of kindness and strength will live on in those who knew and loved her. She is survived by her sons, Francisco, Edward, and Edwin; her daughter, Lourdes; her sisters, Adminda and Alicia; eight cherished grandchildren; and three adored great-grandchildren.

A visitation will be held at Grace Memorial Gardens Saturday, July 26, 2025, at 12:30 PM followed by a funeral service at 1:30 PM. Elsie will be laid to rest beside her late husband, Francisco Lozada, in Grace Memorial Gardens. Her memory will forever be a blessing to all who had the privilege of knowing her.

The loss of one so endearing is the reason we grieve but it is due to our individual and collective fond memories of Elsie that we are comforted. Many of my memories of Elsie are intertwined with thoughts of my parents, Rosita and Jimmy, and their close relationship with Elsie over the years. My now deceased parents, my sister Dianita and I loved Elsie and remember her as a caring, sweet, gracious person whose image and life defines what it means to be "carinosa". May those who mourn her loss find peace in celebrating Elsie's life and its lasting beautiful impact on us.

The memories with my grandmother are endless and I am thankful and grateful for each and every one of them! At my younger age, I remember going with her to bingo nights with her friends ♥ (I did catch some wins cause my money pouch got heavy 🤪)When they say, "There's no place like grandmas!" It truly holds its truth! The coziness and comfort of my grandmas love! The smell of coffee brewing when it's the famous "coffee time" and the smell of her amazing food cooking with all the love she poured into it! Not to leave out how much she loved and cared for my grandpa ♥♥Took her on a water ride at Bush Gardens and I believe she was In for a surprise when that unexpected drop came and she almost lost her hat 🤪.I have a video of her making her famous rice! No measurements just a dash here and a dash there! Im sure I'll master it someday 🙌 Spending time with her in her later days were just as precious. Yes things may have changed and it may have been hard for her to get around but her love and spirit were still huge! I can still hear her saying, "te queiro mucho" "besitos besitos" Yo tambien te amo abuela ♥🥹🥹
