Nancy Carlo

APR 12, 1955 - JUL 28, 2025

Nancy Carlo, 70, of New Port Richey, Florida, passed away peacefully on July 28, 2025, under the compassionate care of Gulfside Hospice.

Born on April 12, 1955, in New York City to the late Pedro Rivera Cay and Josefina Rivera Conde, Nancy lived a life full of love, laughter, and devotion to her family. A compassionate dental assistant, Nancy found joy in the simple pleasures of life-traveling to new places, cherishing every Elvis Presley song, and creating a warm and welcoming home for those she loved.

Her kindness, strength, and unwavering love will be remembered by all who knew her. She was preceded in death by her beloved husband of 45 years, Carlos Carlo, with whom she shared a lifetime of memories and love.

Nancy leaves behind a legacy of love and family. She is survived by her son, Vincent Carlo and his wife, Patricia; her daughter, Gidget Carrasquillo and her husband, Jorge; her brothers, William and Gregory, and Gregory's wife, Elsie; and a special cousin, Helen, and her husband, John.

Each of them will carry her memory in their hearts forever. Following cremation, Nancy will be laid to rest beside her husband at the National Cemetery in Bushnell, Florida. Her spirit, warmth, and laughter will be deeply missed but never forgotten.

Although I didn't have as much time with Aunt Nancy as I would have wanted, the memories I do hold are full of quiet love and kindness. She had a gentle heart and a comforting presence that stayed with you, even long after a visit ended. My husband and I often reflect on how we wish our four children had more time to know her to feel the steady, caring warmth she gave so freely. I'll always remember the special bond she shared with my dad, especially their love for Elvis Presley. Hearing his music now brings a different kind of comfort a reminder of their laughter and connection. Aunt Nancy may be gone from this world, but the love she gave continues in the hearts of those who knew her. She will always be remembered with deep affection and gratitude by me and my family. You will truly be missed from Gregory Rivera 2nd oldest daughter Ana (Annie) & family

Grandma, thank you for every cuddle, every treat, every gentle hand that made me feel safe. You always called me your little girl, and I always knew I was loved. The house feels different without you, but I still look for you — in the quiet moments, in the sunbeams you loved, in the kindness of others. You were my grandma, my comfort, my treat-giver, my heart. I miss you already... but I'll keep watching the door, just in case." 🍪❤️ Love forever, your Sassy girl.

"The first arms to ever hold me, the first heart to ever love me. Mom, you were my safe place, my greatest teacher, and my forever friend. In your embrace, I learned what unconditional love truly means. Though you're gone from this world, your love lives on in every heartbeat, every memory, every part of who I am. Thank you for being my everything from the very beginning. I will carry you with me always." 🙏
🌈 Forever in my heart, forever my mama.

Nancy, my BFF's mother. I'm thankful because she brought Gigi to this world to be my best friend. She received me in her home after we graduated from High School, one of the best vacations of my life. She was always energetic and happy. I'll always love her. Her smile and voice will always be in my heart.

Yo compartí pocas veces con ella, pero me bastó para saber la mujer especial q fue, pero tengo un recuerdo q nunca se me borrará de mi conciencia, casi en su lecho de partida, me estaba despidiendo de ella y me dijo: hija q Dios te acompañe, tuve q tragar en seco porque como una persona q estaba casi sin conocimiento tuvo la lucidez para bendecirme, sin palabras, nunca podré olvidar eso, q nuestro Dios la tenga en la gloria.

I am grateful and thank God for the privilege of having been a part of your life. You don't know how much I'm going to miss you. But we all have to leave this life to go to rest. And you, you went in peace. Today we can say like Job 1:21: "The Lord gave, and the Lord has taken away; blessed be the name of the Lord." See you later, my warrior, my dear crazy old woman. I love you forever!! 🙏👤❤️🙄🙄🙄

My memories of Nancy are of when we were young. The joking around, the silliness of cousins getting together. Even though we grew apart, I always kept her in my prayers. RIP cousin. Enjoy your new life with your hubby in heaven.

I remember my cousin, Nancy, spending many summers at our home in the Bronx and creating special memories; a lot of mischief too ☐ she will be missed. Rest in Peace, Nancy.
