Auntie Dot, we couldn't have wished for a better Auntie, your smile and your laugh were truly infectious. You were completely selfless in everything you did and your family were your world. Like our beloved Dad, you were both so nurturing, supportive, full of fun and most of all full of love, with the biggest hearts. You have both left massive holes in our lives, but our memories are there for sure to treasure. We will continue to be there for all the family and help give them strength to move forward. We loved you endlessly Auntie Dot, now go and have fun with "your AI" as you so dearly called him. So much love Uncle Don, Dawny, Davey, Donald, Ricky, Brianna, Lilly & Brittany, your in our thoughts.....Linzi, AI & Lucy xxxx
