John A. Male

JAN 2, 1948 - OCT 11, 2025

John A. Male, 77, of Easton, Pennsylvania, passed away peacefully on October 11, 2025, at HCA Florida Bayonet Hospital.

He was the beloved husband of the late Joyce Male (née Beruta), with whom he shared 45 beautiful years of marriage filled with love, laughter, and unwavering companionship. In his later years of life, he also enjoyed many great memories with his girlfriend, Diane Thompson.

Born on January 2, 1948, in Easton, Pennsylvania, John was the cherished only child of the late John and Angelina Male. John was U.S. Military veteran and served his country with pride. His Catholic religion was also a constant presence in his life. After his service, he enjoyed a long and fulfilling career as a master electrician at M&M Mars until his retirement.

John found joy and peace on the golf course, where he spent countless hours. Golf was more than a pastime, it was a reflection of his appreciation for life's simple pleasures and his spirited, competitive nature.

John was a man who truly lived life to the fullest. His warm smile, fun-loving personality, and generous heart touched everyone he met. He had a contagious zest for life and a deep love for his family that will be remembered always.

He is survived by his daughter, Amanda Male and his son, Adam Male. He was preceded in death by his beloved wife, Joyce and his parents.

Though he is no longer with us, the memories he created and the love he shared will live on in the hearts of all who knew him.

In lieu of flowers, memorial donations may be made to a charity of your choice, in honor of John's generous spirit and lifelong compassion.

When booking vacation accommodations, make sure the place has good reviews and stay away from the sketchy places! ✍️

As to not write an entire novel, I'll try and make it short but his daughter, Amanda, is one of my best friends! His family and I liked vacationing at the same beach. One summer I made last minute reservations at a really sketchy hotel and when I told them where I was staying John and his wife Joyce warmly invited me to stay in their beach condo. That was one of the nicest things ever done for me considering this was the first time ever meeting me in person! I also remember visiting John and Joyce at their house for dinner. Also them coming and visiting at the restaurant!
