Grace was an absolute joy! I loved having her in my craft class. She came to our church services too. We at Faith Community Church will always remember her

Nana, The memories I hold are eternal. You leading the endless card games with the family and cousins will be my favorite. Your squeeze and shake hugs were the best. Your laugh will always be in my memory. 103 years young, can't get better than that. Love you so much Your granddaughter Kellie
