One of my favorite memories of you was riding four-wheelers through the trails in Hudson. We would ride all day, laughing, exploring, and just enjoying being young. Those were some of the best times growing up, and I'll always be grateful for those memories. Rest easy, my friend. ❤️.

I don't even know where to start. You experienced such loss at such a young age. But, your heart remained one of the biggest I have ever known. I feel as though a piece of my soul left with you. I can never put into words how much I love you. The fact that I will never again hug you, see your grin, or hear I love you breaks me in ways I can't even describe. It has been my honor and privilege to have been your mom for the last 31 years. I will love you forever and miss you every second of every day.

I remember when Kerry's dad Kevin move into the Nabor hood and they was all riding quads out by the pond right by their house. I went out back to check it out seen this skinny little five year-old blonde hair, blue eyes, five year-old kid ripping up on his squad. I couldn't believe how good he was and how young he was first thing I said to him what's up little dude he gave me a high five and smiled ever since then the whole family rode together, outback and out at the pond making our own jumps,. Kerry was always a quiet kind of guy always would help others. If they needed it he will be miss greatly, but never forgotten. Rest in peace little bro Kerry 🕊️ Jimmy

Last year when Ricky passed and having to finish those roofs with you I will never forget the talks we had. Teaching you in High School and watching you work with my brother. You were like a son to him. So glad I have your leather jacket to ride the Harley you gave me. You will be missed!
