“ Donna gave me an opportunity to become one of her first customers when she was employed by Dr. Romeo in Manchester CT. Client number 503. When she later moved to Florida I hired her as my employee at Computer Innovations, Inc. She was excellent at her job and very conscious. Rest in peace Donna. My sincerest condolences to the family.

“ Donna where do I start.. after being friends for 56 years,the trips we took, the birthdays we celebrated, always New Years Eve together, our times in St Maarten were so much fun, our Friday night pizza with our own wine. We will miss you , you left a hole in our hearts, you were like a sister to me. We know you are reunited with Jack and for that we are happy.
