

William A. Scheiblein

April 14, 1926 - January 21, 2021

William A. Scheiblein, 94, passed away peacefully on Thursday January 21, 2021. Born in Philadelphia, Pa. Happy resident of New Port Richey FL since 1985. Worked at Bell of PA for 38 years, thanks to his father in law Thomas Oliver. Bill married Tom and Martha Oliver's daughter Mary Jayne Oliver in 1948 and was thrilled for the opportunity to work for a great company! Bill always said he never found out if he passed the employment exam for Bell Telephone- he just knew his father in law made it happen. He rose through the ranks to management. Dad spent many years in the Motor Vehicle Department of Bell Telephone, and these were his favorite working years. Dad loved cars, restoring a 1953 Buick Skylark convertible.

Bill and Jayne raised their 3 children Steve, Sharon and Scott in Somerton, an idyllic place in Northeast Philadelphia. Dad felt like he'd "made it" after moving there.

Married for 66 years to his sweetheart Jayne, life truly began when they retired to Florida in 1985. Bill lived and played in the Summertree community of NPR. He finally got to play all the golf he could ever dream of. He harvested "lost" golf balls and sold them back to the golfers. He earned the nickname "Birdhouse Bill" for his flea market industry selling birdhouses he made from scrap wood. He loved turning trash into treasure. Neighbors would alert him if an item was curbside that Dad could fix up and sell. He loved fishing, bowling and taking Mom to the Outlets shopping. Bill is survived by his sister Joyce Mason of Lansdale PA, children Steve (Mary Fran) of Southampton PA, Sharon of Hudson FL and Scott of Greentown PA. Grandchildren are Scott Scheiblein and Brian Scheiblein. Per his wishes, no service at this time.

Grace Memorial Funeral Home, 16931 U.S. Hwy. 19 North, Hudson, FL, 34667, 727-863-5471 is in charge of arrangements.

“ Thank you for sharing this David. Nice to see my Dad in a photo taken the year I was born. He was a special guy and a wonderful father.

“ I heard so many stories about the mail room at our dinner table. I so loved hearing about his time at Bell.

“ Our deepest condolences to your family. Losing a Father is losing a part of yourself. May you find joy and solace in your memories and photos.

“ I met your father only after he came to live with you, Sharon. I know he had health problems, but he seemed very content in your excellent care. The day he decided to sit outside and display his hand-crafted birdhouses for sale, I finally had an extended conversation with him. The two themes that were dominant in his words were his love for and devotion to your mother and his gratitude to you for sharing your home with him and taking care of him.

“ Sharon, I remember visits to your house before you moved to Somerton and your dad's myna bird that could talk and whistle just like your dad. I also remember his beautiful fish tank in the wall at the house in Somerton. Your parents were so lovely.
